

Curriculum Vitae

Roger W. Falcone

Physics Department
University of California, Berkeley
366 LeConte Hall
Berkeley, California 94720-7300

TEL (510) 642-8916 FAX (510) 643-8497 EMAIL rwf@physics.berkeley.edu

**PROFESSIONAL
EXPERIENCE**

Professor (1991-present)
Chair (1995-2000)
Associate Professor (1988-91)
Assistant Professor (1983-88)
Physics Department, University of California, Berkeley

Physicist/Faculty, Advanced Light Source
Lawrence Berkeley National Laboratory (2004-present)

Affiliated Faculty, Energy and Resources Group
University of California, Berkeley (1998-present)

Marvin Chodorow Fellow, Applied Physics Department
Stanford University (1980-83)

EDUCATION

Ph.D. Electrical Engineering, Stanford University (1979)
M.S. Electrical Engineering, Stanford University (1976)
A.B. Physics, Princeton University (1974)

HONORS

Fellow of the American Physical Society

Fellow of the Optical Society of America

Leo Szilard Lectureship Award (2005) of the American Physical Society
(with the APS Study Group on Boost-Phase Intercept Systems for National
Missile Defense)

Halbach Prize for Instrumentation at the Advanced Light Source,
Lawrence Berkeley National Laboratory (2000) (with Robert Schoenlein)

Distinguished Traveling Lecturer of the American Physical Society
Laser Science Topical Group (1992-93)

Presidential Young Investigator Award
of the National Science Foundation (1984)
